

Boots in Bloom

To show that our church is 'marching on' through rain and shine, we hope to have a display of planted-up wellies outside the hall door.

The wellies can be any size, single or in pairs, painted or plain and planted with any kind of plants. If you don't have any old wellies, try a charity shop.

The finished planters can be brought along any time, and placed in position.

Hopefully lots of folk will take part, and we'll have a great display.
