

## Translation

How are you my beloved and respected sponsor Langbank Church of Scotland? How are you? Are you fine? Thanks to Lord, I and my family are doing well. What about your family? How is the weather in your country? Now in my country, the weather is rainy and cold . Please pray about my country. I also pray to God about you and your family. Now e have left with a few days to begin our new year of 2014 according to our calendar. Please pray the new year to be peaceful and prosperous for us. May God be with you. Stay safe. Until we met in the next letter, goodbye.
