Dear LANGBANK CHURCH OF SCOTLAND

Receive much greetings from Desy. I hope you are fine together with your church members. I am fine too with my family members. I am happy that God has given you and your church members life to live. We thank Him. How is Neil and friends? I hope they are healthy.

How are people in your village doing? do your village members plant crops? during rainy seasons? With us in our village people are doing well and we have planted some crops like millet, maize and beans. before we approach the month of September, October, November and December.

I have written this letter to inform you that next term (I am) going to do my Kenya Primary School Education Assessment (KPEA). I have promised my friends and parents that I will work hard so that I go to another grade called Junior Secondary School.

I have drawn for you a method of drawing called cross etching that shows how much love I have for you and a ball that shows how I like playing football. During weekends we always go to church to pray and praise our lord God together with my family.

I want to encourage you with a verse from the book of Luke 1:30 says the angel said to her "Don't be afraid Mary: God has been gracious to you. It teaches me never to be afraid because of God's grace. Be blessed: bye bye.

Your lovely daughter
