

Translation

Dear Langbank Church of Scotland,

How are you and your family? My family and I are fine thanks to God. How is your country? My country is fine. I received your letter. I thank you so much for your letter. We love you so much. I'm attending grade 8. I will take grade 8 regional examination this year. I'm studying hard to score good grade in the examination. I'm doing sports. Pray about my education. May God be with you and your family.
