## A message to my sponsor

Date 25/5/2023

Dear Langbank Church of Scotland

Receive my beautiful greetings in the name of Jesus Christ our Lord. Hoping that all of you are well. With me I am well and enjoy to hear from you. How are my Scottish friends doing there? I hope they are fine wherever they are. I am praying for them to have a successful life. I look forward to hear about the members of church choir. I too feel so happy to hear that you received my letter and enjoyed reading it. I am as happy as I never before. I thank God that I succeeded in my secret exam and I am also working hard to achieve my goals. Thanks for being happy with my work. My life in junior secondary school is enjoyable. We have new books, we use digital devices in learning, we enjoy our foods that we eat in school. It saves for us time of going home for lunch and we also have apparatus for experiment like microscope, test tubes and indicators which helps us in learning.

I too I am glad that I was able to put my gift in a good way and I will always use my gift wisely. Thank you for wishing me a happy birthday together with another small gift. It is good that your weather is better and as changed. I am glad that now I know the meaning of spring.

With us it is raining and there is a lot of floods in our country and it even overcame our capital city Nairobi. But I thank God that He enabled us to be safe where we are in our country. I hope that it will soon end. I pray hoping that the disaster will end. I promise that I will work hard in my studies to achieve good results and will be a credit as solution to my

family.

I hope to hear again from you so soon. I want to encourage you with a verse from the book of Luke 2:10 which says do not be afraid I will bring you good news that will cause you great joy for all the people. May the Lord bless the work of your hands bye.

Yours beloved daughter  
Desy.
